I really don't understand why everyone is objecting with billionaire's Hans Rausing (heir to the Tetra Pak carton empire) decision to delay the burial of his wife Eva and keep the body ~~at~~ at the couple's mansion in London. The man did what he knows to do. Protect what's Good... Or Not???

Mirrors are not more silent
nor the creeping dawn more secretive;
in the moonlight, you are that panther
we watch sight from afar.

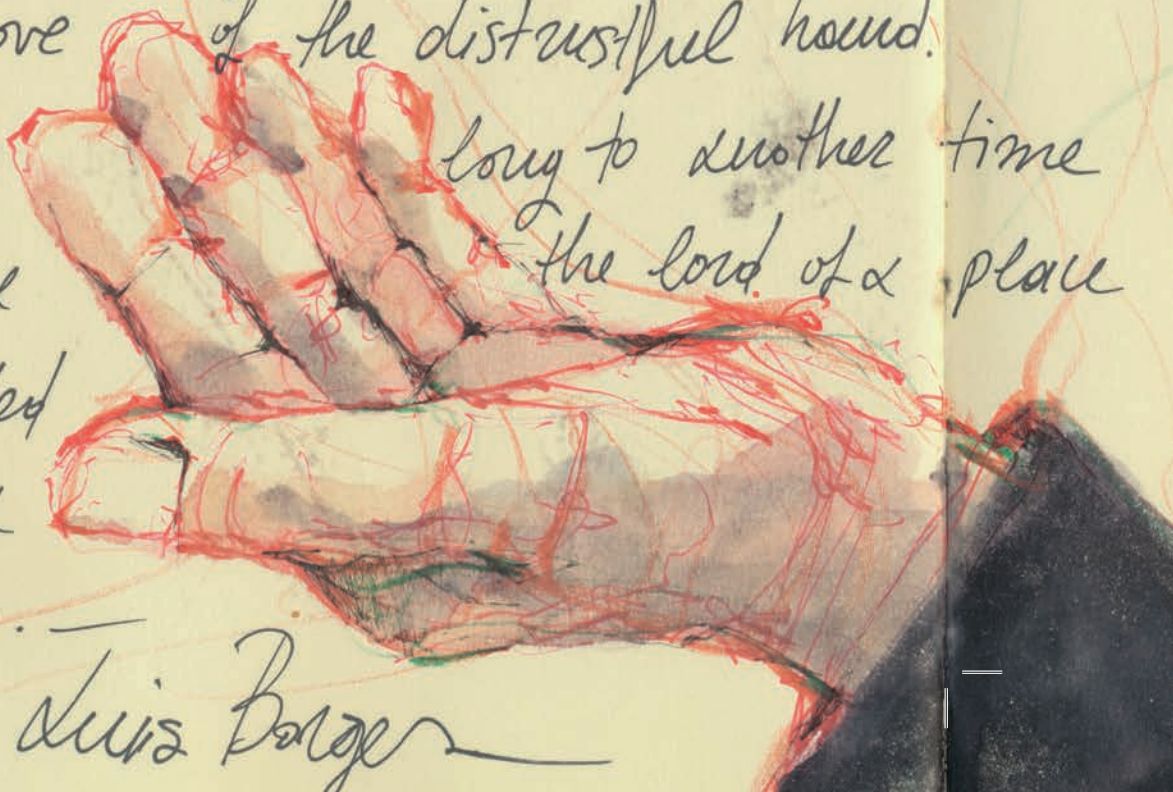

By the inexplicable workings of a divine love
we look for you in vain;

More remote, even than the Ganges or the setting
yours is the solitude, yours the secret.

Your haunch allows the lingering
caress of my hand. You have accepted
since that long forgotten past
the love of the distrustful hand.

You be long to another time
You are the lord of a place
bounded
like a
dream.

Και ἔε ἀευνέξ' εβδομαίδες

Και τῶτε ρίξανε τὸν υψίρο
